

DAVIDSON

To whom it may concern

On behalf of Davidson Development, Inc., I would like to provide you with our endorsement of Hugus, Inc. Davidson Development is the Master Developer of the 6300-acre project in St. Johns County, known as World Golf Village.

We contracted with Mr. Gustavo Diaz, owner of Hugus, Inc., for some repair work on our Swim & Tennis Center Facility in the King & Bear neighborhood at World Golf Village. This work included, roof leak remediation, roof flashing, stone chimney reconstruction, ceiling repair and interior painting. In our experience with Hugus, Mr. Diaz was fair, honest and professional and provided a high level of customer service. His workers remained on schedule and completed a very high quality repair, utilizing safe and professional maintenance construction practices at all times.

We highly recommend Mr. Diaz and Hugus, Inc. and would not hesitate to again contract his services for our additional benefit.

If you have any questions, please do not hesitate to contact me.

Rick Pariani
Vice President, Design & Development
