

1000 Vicar's Landing Way
Ponte Vedra Beach, Florida 32082
904-273-1701 • 904-285-1384 (Fax)

To Whom It May Concern:

Vicar's Landing is a continuing care life care facility, where we have to constantly satisfy our members with their needs and wants. While making sure we give our Members nothing but excellent and satisfying service, within a timely manner. We have to make sure we pick the right contractor for the job, by meeting, screening and extensive background checks.

Hugus Inc. is a remarkable painting company who exceeds ours as well as our Members expectations. HuGus Inc., is professional, courteous, and has great workmanship. Mr. Gustavo Diaz is the President of the company, and we have had nothing but good service and experience from him and his crew. As we continue to use HuGus Inc., for numerous more jobs, such as painting, priming, wall paper, dry wall etc., we know we will get nothing but the best work all around, from the employees to the job quality itself, all done with in our time constraints.

It is with pleasure to highly recommend Hugus Inc., for your company with out any uncertainties. Please, if we can be of any further assistance please feel free to contact us.

Best Regards,
