To Whom It May Concern,

I recently had the pleasure of working with **Hugus, Inc.** at Verano at Bartram Park from April to July of this year. They did an outstanding job and kept the owners happy with very little interruption to the community. I received a number of compliments from the owners about the exceptional quality of work and the personable customer service they provided.

I have found it difficult to find quality vendors in this industry that you don't have to "babysit", but **Hugus, Inc.** definitely stands apart from the rest which is why I highly recommend them for your community.

Sincerely,

Carla Masters, LCAM
