
DIVISION OF PHYSICAL FACILITIES**To Whom It May Concern**

The University of North Florida had the pleasure to work with **HuGus Inc.** which is represented by Mr. Gustavo Diaz. This Company currently works as a Painting Contractor for the University Of North Florida (UNF) on different painting projects both interior and exterior.

Their job skills have fulfilled our expectations with efficiency and professionalism, each project has fully complied with all of our expectations.

HuGus Inc. is highly respected by the people at UNF who work with them, the ability to get work done through the service personnel has been outstanding.

HuGus Inc. Is organized and thorough in their paperwork and always gets work done in a timely manner.

We have been consistently impressed by both HuGus's attitude and performance on the job. They have the analytical skills to diagnose problems and devise viable solutions and ability to remain unflustered during frenzied periods and they have the ability to work well under pressure.

I would highly recommend **HuGus Inc.** for your organization without reservation. Please let me know if I can provide you with any further information.

Respectfully,

Owen Wilson

Project Specialist
