Dear Gustavo,

I am writing to let you know how much I appreciate the efforts of Hugus, Inc. on the High Tides Bar Project at Ponte Vedra Inn & Club. Your company had an excellent performance on the painting scope of work, which was initiated with competitive pricing, then carried on through meeting schedule obligations, working safely, and providing a quality finished product. Additionally, we appreciate your company's efforts in helping with solutions on specialty wood staining and unique-finish items. The level of finishes you provided resulted in very good remarks and a satisfied client and design team.

This was a challenging project with many demands, including working in an occupied and operational facility, and your team was a key part of the overall project success. Your team's attention to detail and focus on customer service was exceptional on this project and on past projects we have competed together. Hugus, Inc. has proven to be a valuable team member and we look forward to working with you again on many more successful projects.

Sincerely,

David Smith
